

# Pica L

Architectural Profile

L012

corelli  
COLE

Also Available in:

Architectural surface mounted profile manufactured from AL6063 type aluminium fitted with UV stabilised 15° lens.

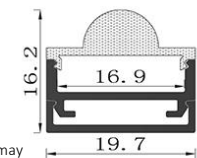

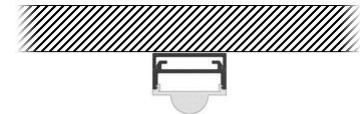

Features snap on mounting plate. Also useful for concealing low voltage power cable. Most suited for applications requiring light projection such as back lighting and wall lighting.

Recommended for LED types up to 20W/m output.

Supplied made to measure with all accessories and drivers as required. Configured to suit most dimming protocols.
